*"We swear by the Southern Cross to stand truly by each other and fight to defend our rights and liberties"*

- Eureka Oath November 1854

**THE MISSING INGREDIENT - YOU!!  
INVITATION - JOIN US**

**WEDNESDAY 11.30am - 1.00pm  
22nd NOVEMBER 2006  
Outside County Court of Victoria  
250 William Street, Melbourne**

On the 22nd of November 2006, seditioncharter.org will be prosecuting the Commonwealth of Australia in a moot court which will be held on the forecourt and footpath outside the County Court of Victoria at 250 William Street, Melbourne about whether any of the Articles, (Article 1-30) contained in the United Nations Declaration of Human Rights, have been intentionally disregarded or violated by the Howard led Coalition government.

The moot court case will raise a number of important questions about a number of fundamental rights and liberties that have been legislated away by the Coalition government and a pliant Opposition during the past decade. Conducting the moot trial on the forecourt and footpath outside the County Court of Victoria will also openly challenge the power a private corporation running a public institution is able to exercise over citizens. The Victorian County Court building is owned by a private corporation which leases the courts to the Victorian State government and any other group that is able to afford the cost of a room - except seditioncharter.org who were refused a room because we are a 'political' group. To further complicate the issue, this private corporation claims to own the forecourt which is open space that abuts on a public footpath and refuses to let citizens gather in this space because it is deemed to be private property.

HOLDING THE MOOT COURT OUTSIDE THE COUNTY COURT, DIRECTLY CHALLENGES THE COMMONWEALTH SEDITION LAWS AND ALL THE OTHER PIECES OF COMMONWEALTH LEGISLATION THAT HAVE PASSED THROUGH FEDERAL PARLIAMENT OVER THE PAST DECADE THAT HAVE STRIPPED CITIZENS OF FUNDAMENTAL RIGHTS AND LIBERTIES CITIZENS HAVE ENJOYED IN AUSTRALIA FOR DECADES. IT ALSO CHALLENGES THE POWER PRIVATE CORPORATIONS WHO ARE INVOLVED IN PARTNERSHIPS WITH PUBLIC INSTITUTIONS ARE ABLE TO EXERCISE OVER CITIZENS.

THE MOST IMPORTANT MISSING INGREDIENT IN THIS ATTEMPT TO REGAIN FUNDAMENTAL RIGHTS AND LIBERTIES IS - **YOU** - JOIN US AT 11.30am ON WEDNESDAY 22nd NOVEMBER 2006 OUTSIDE THE COUNTY COURT AT 250 WILLIAM STREET, MELBOURNE AND JOIN THE STRUGGLE TO REGAIN OUR FUNDAMENTAL HUMAN RIGHTS - YOU HAVE NOTHING TO FEAR BUT FEAR ITSELF.

IF YOU CANNOT MAKE IT ON THE DAY, THINK ABOUT SIGNING THE SEDITION CHARTER

*HUMAN BEINGS ARE BORN WITH INALIENABLE HUMAN RIGHTS WHICH INCLUDE THE RIGHT TO FOOD, SHELTER, PERSONAL SECURITY, FREEDOM OF SPEECH, FREEDOM OF ASSOCIATION, FREEDOM OF RELIGION AND FREEDOM FROM THE FEAR OF ARBITRARY ARREST, DETENTION, INTERROGATION, TORTURE, IMPRISONMENT AND EXECUTION.*

*CITIZENS HAVE BOTH A RIGHT AND A DUTY TO OPPOSE AND RESIST GOVERNMENTS THAT ATTEMPT TO LEGISLATE AWAY THEIR INALIENABLE HUMAN RIGHTS. THEY HAVE A RIGHT UNDER THE 1946 UNITED NATIONS DECLARATION OF HUMAN RIGHTS, AND A DUTY UNDER THE PRINCIPLES THAT WERE OUTLINED IN THE NUREMBURG TRIALS THAT WERE CONDUCTED AFTER WORLD WAR TWO THAT FOUND THAT OBEYING THE LAW AND FOLLOWING ORDERS COULD NOT BE USED AS A JUSTIFICATION FOR DENYING PEOPLE THEIR INALIENABLE HUMAN RIGHTS.*

*"We swear by the Southern Cross to stand truly by each other and fight to defend our rights and liberties"*
